Centrifugal and screw machine technician

**No phone calls - PLEASE FAX RESUME TO 732-727-9353 or EMAIL:
service@weathervanservice.com**

Immediate and permanent opening for talented Chiller Mechanic. Excellent working environment for mechanic experienced with the maintenance, service and repair of Low Pressure Centrifugal and High Pressure Screw Chillers in the 500 ton range. Year-round work for established customer base in the North Jersey, New York City and Long Island area. 40 hour work weeks guaranteed, with significant overtime opportunity for the right mechanic. (Current work load has our existing chillers crews working approximately 20 hours of overtime, per week, for 6 months of the year.) Expanding customer base requires Weathervane Service, Inc. to expand its talent pool. Salary and compensation packages are fully negotiable. Weathervane prides itself on paying all employee Union Benefits on a weekly basis. Feel free to contact your Business Agent for any information regarding Benefits Payments and Payment History. Fax all resumes to 732.727.9353. No phone calls will be accepted for position inquiries. All applications will be handled confidentially.
